

Mission #8 www.peopleforhaiti.com Port-au-Prince Orphanage Revisited

What a great team! This trip we were able to serve 1,124 patients in three days! The team did incredible. We had unexpected transportation issues

on several occasions, but the team remained flexible and we still achieved our objectives each day. Thank you for all your hard work, caring and compassion.

PFH arranged to do our first clinic at the PaP orphanage we visited in January. The conditions had improved a little. Most of the children were clothed (from our previous donations) and we brought more this trip. Our donated "recycled" toys were a big

Priceless Moments

hit again this trip. While they brought smiles to the children, there is still much work to do at this orphanage. There is not enough food, little organization and virtually no resources. PFH spoke to the director and hopes to continue to work with this orphanage.

Thank You!!!

Thanks to Anthony and Jody, our "documentary/film crew". Your contribution of time and your expertise is greatly appreciated. We love you!!!

Giving To Strangers

Dr. Lonnie Klein and Lydia Borges, LPN both sponsored a child's tuition for the upcoming year.

Public schools in Haiti require a tuition. Without the money provided by their generous donations, neither of these children would be allowed to go to school. While unthinkable in America, this is the reality in Haiti.

Upcoming Events:

May 7th Scramble Golf Tournament
-Fox Hollow Golf Course, \$75 per person/\$300 per team of four. For details see peopleforhaiti.com or e-mail: jnagy1@tampabay.rr.com

May 16th Chili's will donate 10% of your purchase to PFH when you bring in our PFH flier. Watch your e-mail inbox for the flier. Good food for a good cause!

July 24th - July pre-mission meeting
July 27th-31st - July mission trip
August 13th - July mission photo party
